Grandview Projector Lift  
**Guardian Series**  
GPCK-MB

# Grandview Projector Lift

## Guardian Series

GPCK-MB

Your projector deserves a Guardian!

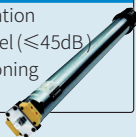

### ● Electric Positioning

With the Electric Positioning, the default limits of the lift can be easily set just through the remote.

### Heavy-Duty Tubular Motor

- > Smooth Operation
- > Low Noise Level ( $\leq 45\text{dB}$ )
- > Precise Positioning
- > Durable

Take model MB1000B with 1 meter range for example, the weight capacity is up to **12Kg**

### ● Replaceable Ceiling Decoration

The ceiling decoration board can be easily replaced to match different installations when needed.

### ● Fully Sealed Design

Using a high-strength steel sheet metal frame, covered with color-coated panels on the outside, the projector is completely isolated from the environment, providing all-around protection.

#### Fully Sealed Structure

### ● Heavy-Duty Belt with Fireproof

Equipped with heavy-duty tubular motor and fireproof belt, the operation of the lift is smooth and easy.

#### Heavy-Duty Belt with Fireproof
